

Rooney, The Floor

Well, I don't want you
When you want me
And I don't need you
Like I need dough
See those flowers?
They were on sale
And all that foreplay
It was for me

I never loved you
When you loved me
I never cared about you
When you cared about me

I've got
The F-L-double-O-R (x3)
I've got the floor

Hey, pretty lady
Not you, behind you
Where'd you get that
Amazing booty?
Oh, tae-bo works
See, tae-bo works
Thanks for the info
Here's my number

I never loved you
When you loved me
I never cared about you
When you cared about me

I've got
The F-L-double-O-R (x3)
I've got the floor

I don't want you
When you want me
And I don't need you
Like you need me
I don't want you
When you want me
And I don't need you
Like you need me

I never loved you
When you loved me
I never cared about you
When you cared about me
(x2)

About me

The F-L-double-O-R (x3)
I've got the floor
