Rooster, One Of Those Days

V1:

It feels like one of those days Giving nothing away You leave me hanging on the wire It feels like you're aiming for me You explode with fists of fury Like you used to with desire

Chorus:

And I'm giving you everything You'll never give up and I'll never give in Just try to see the brighter side And open your eyes Now I'm ready to jump back in Nothing has changed it's just one of those days!

V2:

I don't know where you get off
I can't see how we got lost
Every ball we ever had has been dropped
Feels like your angry at me you expose your tongue of fury
I'm standing in the line of fire

M8

Take and give means compromise Too many bruises we can't hide From all the fights and wasted time I'm drawing the line It feels like one of those days Giving it all away like we used to
