

# Rooster, She Don't Make Me Feel

She's got killer smile  
She's got devils eyes  
She lives wicked wild  
Wants me to take her home with me tonight  
Struts with confidence  
Stood still, turning heads  
Well hell yeah, she looks so fine  
But theres nothing going on, inside that mind

There was a time in my life, when it was all I desired  
When that was enough, but now I want everything, everything  
Yeah, yeah

She dont have what I need, she dont know just how to  
So shes got the money, she dont make me feel  
Like I'm alive, I'm alive  
Like I'm alive, like I'm alive

All heat, sparks and fire  
Its just smoke to cloud your eyes  
In the morning, when the flame is dead and gone  
You'll see, something in this picure's wrong

There was a time in my life, when it was all I desired  
When that was enough, but now I want everything, everything  
Yeah, yeah

She dont have what I need, she dont know just how to please  
So shes got the money, she dont make me feel  
Like I'm alive, I'm alive  
Like I'm alive, like I'm alive

She should be my perfect ten, over ride my common sense  
But she aint got no conversation, so all I feel is this frustration

She dont have what I need, she dont know just how to  
So shes got the money, she dont make me feel

She dont have what I need, she dont know just how to  
So shes got the money, she dont make me feel, she dont make me feel  
Like I'm alive, I'm alive, like I'm alive, like I'm alive
