

Rootwater, Lie is law

Lie is the law, lie is the law
Lie is the law, lie is the law here
Lie is the law, lie is the law
Lie is the law, lie is the law here
Whining, moaning
The lie is on my back
Fine and droning
The lie is keeping track
Mine, mine, yours, yours, theirs, theirs, his, her
Here, now, there, then
To swallow it all
The anticipation
Lie is the law, lie is the law
Lie is the law, lie is the law here
Lie is the law, lie is the law
Lie is the law, lie is the law here
(Mine, mine, yours, yours, theirs, theirs, his, her
Here, now, there, then)
To say the truth is to make yourself prone to the truths of the others
So lie, make up, lie
Whining, moaning
The lie is on my back
Fine and droning
The lie is keeping track...
Lie is the law
The law is made of lie
Law is the lie
The lie is made law
