

# Rory Gallagher, Continental Op (To: Daniel Hammett)

There's a body in the bay  
The cops are taking it away  
They said this case was closed  
It only shows you that - never know  
So who they gonna get when the troubles got to stop  
Here's my card  
I'm the Continental Op  
Jane Doe in the bay  
Now that's exhibit 'A'  
Bloodstains on the dress of the millionairess  
But I saw you leavin' town  
I'm gonna have to track you down  
Just like a hound  
You slipped through the web  
And you might have dodged the Feds  
But who they gonna get when you've out foxed the cops  
Here's my number  
I'm the Continental Op  
Call the agency, we never close  
First consultation is free  
Check my reputation, check my pose  
But first check my fee  
There's a menace on the streets  
Offering infants sweets

Don't give this man a ride  
Lock your car from the inside  
He's suspect No. 1  
But I guess his race is run  
He left a set of prints  
He's not as smart as he thinks  
'Cause who they gonna get when the trouble's gotta stop  
Here's my card  
I'm the Continental Op  
There's a body in the bay  
The cops have taken it away  
They say this case was closed  
It only shows that you never know  
Bruises 'round the neck  
When they did a body check  
I saw you leaving town  
I'll track you down like a hound  
Who they gonna get when you've outfoxed the cop  
Here's my card  
I'm the Continental OP  
Yeah, who they gonna get when you've out foxed they cops
