

Rory Gallagher, Maybe I Will

Running through a pool of rain
I think i'll do it one more time again
I hope i always feel this way
maybe i will

Searching for a piece of ground
where i can lay my body down
with the earth for a pillow under my head

Wake up in the morning
it's a brand new day
And though it seems the same
it's different from yesterday
Then i read the leaves
and put my cup away

Running down a country lane
Looking on a a field of grain
Just to see you smile
makes me feel alive again

Opening another door
I'll see what i have not seen before
Maybe i'll find what i'm looking for

Running through a pool of rain
I think i'll do it one more time again
I hope i always feel this way
maybe i will
maybe i will
