Rory Gallagher, Maybe I Will

Running through a pool of rain I think i'll do it one more time again I hope i always feel this way maybe i will

Searching for a piece of ground where i can lay my body down with the earth for a pillow under my head

Wake up in the morning it's a brand new day And though it seems the same it's different from yesterday Then i read the leaves and put my cup away

Running down a country lane Looking on a a field of grain Just to see you smile makes me feel alive again

Opening another door I'll see what i have not seen before Maybe i'll find what i'm looking for

Running through a pool of rain I think i'll do it one more time again I hope i always feel this way maybe i will maybe i will
