

Rosalie., Do It Right

Yeah, do for you
Give it up all night
Do my best
And I need to decide
If you wanna play
If you wanna stay
If you get hug
If you wanna fly
Just do it right

If you want to stay
Do It Right
Just do it right
Just do it right
Do It Right
/2x

I'm giving you time
Do you need to do more
Close your mind
Let me ..
Everything I do I do to you to stay
You want to ...
Just say
Just say
Just say

Coz if you worry
You should reach ...

If you want to stay
Do It Right
Just do it right
Just do it right
Do It Right
/2x

Better do it right! /4x
