

# ROSÉ, Gone

Thought that you'd remember  
But it seems that you forgot  
It's hard for me to blame me  
When you were already lost, oh yeah  
I'm tired of always waiting, oh yeah, yeah

I see you changed your number  
That's why you don't get my calls  
I gave you all I mean  
Now you don't wanna be involved, oh yeah, yeah  
I really gotta face it, oh yeah, yeah

I just wanna be the one  
But to you we're already done  
Tell me why'd you have to hit and run me  
Now I'm all alone crying ugly  
You broke my heart just for fun  
Took my love and just left me numb  
Now it's 8:00 in the morning  
Hate in the morning  
All because of you

Am I the story that's sad and true?  
I can feel the pain, can you?  
You had to be the one to let me down  
To color me blue  
Hate to see you with someone new  
I'll put a curse on her and you  
Ain't no looking back  
Now you're dead and gone  
My love is gone too

All my love is go-o-o-o-o-o-one  
All my love is go-o-o-o-o-o-one  
All my love is go-o-o-o-o-o-one  
All my love is gone  
Now you're dead and gone

All my love is gone and the hate is gone  
I'm standing all alone  
And I'm searching for something  
But I can't feel nothing  
I pack my bags and go on  
Doesn't feel like home  
Too much on this swaying boat, I feel so used  
How I'm supposed to live without you?  
I refuse

I just wanna be the one  
But to you we're already done  
Tell me why'd you have to hit and run me  
Now I'm all alone crying ugly  
You broke my heart just for fun  
Took my love and just left me numb  
Now it's 8:00 in the morning  
Hate in the morning  
All because of you

Am I the story that's sad and true?  
I can feel the pain, can you?  
You had to be the one to let me down  
To color me blue  
Hate to see you with someone new  
I'll put a curse on her and you

Ain't no looking back, now you're dead and gone  
My love is gone too

All my love is go-o-o-o-o-o-one  
All my love is go-o-o-o-o-o-one  
All my love is go-o-o-o-o-o-one  
All my love is gone  
Now you're dead and gone
