

Rose Royce, Wishing On A Star

I'm wishin' on a star
To follow where you are
I'm wishin' on a dream
To follow what it means

I'm wishin' on a star
To follow where you are
I'm wishin' on a dream
To follow what it means

And I wish on all the rainbows
That I see
I wish on all the people
Who really dream

And I'm wishin' on tommorow
Praying it'll come
And I'm wishin' on all the lovin'
We've ever done

I never thought I'd see
A time when you would be
So far away from home
So far away from me

Just think of all the moments
That we spent
I just can't let you go,
For me, you were meant

And I didn't mean to hurt you,
But I know
That in the game of lovin',
You reap what you sow

I feel it's time we should make up, baby
I feel it's time for us to get back together
Make the best of things, oh baby,
When we're together,
Whether or never.

I feel it's time we should make up, baby,
I feel it's time for us to get back together
Make the best of things, oh baby,
When we're together,
Whether or never
Oh woh woh, ooooooo, ooooo

I'm wishin' on a star
To follow where you are
I'm wishin' on a dream
To follow what it means

And I wish on all the rainbows
That I see
I wish on all the people
We ever greeted

And I'm hopin' on all the days to come
And days to go
And I'm hopin' on days of
Lovin' you so

I'm wishing on a star

To follow where you are (follow where you are)
I'm wishing on a star, oh oh,
And I wish on all the rainbows that I see

Oooo, oh oh oh oh oh oh,
(Wishin' on a, wishin' on a, wishin' on a)
Wishin' on a star

Ooo. to follow where you are
(Wishin' on a, wishin' on a, wishin' on a)
Wishin' on a star

I'm wishin'

Ooooo, oooooooooo
(Wishin' on a, wishin' on a, wishin' on a, wishin' on a star)
(Wishin' on a, wishin' on a, wishin' on a)
Wishin' on a star
