

# Rosemary Clooney, Hey There

(Richard Adler and Jerry Ross)

Lately when I'm in my room all by myself  
In the solitary gloom I call to myself

Hey there, you with the stars in your eyes  
Love never made a fool of you  
You used to be too wise  
Hey there, you on that high-flyin' cloud  
Though he won't throw a crumb to you  
You think some day he'll come to you

Better forget him  
Him with his nose in the air  
He has you dancin' on a string  
Break it and he won't care

Won't you take this advice  
I hand you like a mother  
Or are you not seein' things too clear  
Are you too much in love to hear  
Is it all goin' in one ear and out the other

Hey there, you with the stars in your eyes  
(Are you talking to me)  
Love never made a fool of you  
(Not until now)  
You used to be too wise  
(Yes, I was once)

Will you take this advice  
I hand you like a mother  
Or am I not seein' things too clear  
Are you just too far gone to hear  
Is it all goin' in one ear and out the other
