

# Rosemary Clooney, Too Young

they try to tell us we're too young  
too young to really be in love  
they say that love's a word  
a word we've only heard  
but can't begin to know the meaning of  
and yet we're not too young to know  
this love will last though years may go  
and then some day  
they may recall  
we were not too young at all  
(musical interlude)  
and then some day  
they may recall  
we were not too young at all
