

Rosey, Like A Dream

like a dream is how you came to me
you were my angel and I was the demon seed
like a dream, just like it always is
when you believe in things they come into being

like a dream, waking up next to me
like a dream, and you have always been in
my eyes, my voice, my tongue, my choice
my dream, I save for thee, my dream, my...

like a dream, and you have always been
will my sweet prince let my sweet queen join in
like a dream, and don't forget what you said
get in girl and take me to your lover's bed

like a dream, waking up next to me
like a dream, and you have always been in
my eyes, my voice, my tongue, my choice
my dream, I save for thee, my dream, my...

like a dream, is how you came to me
you were my angel when I was the demon seed
like a dream, just like it always is
when you believe in things they come into being

like a dream, waking up next to me
like a dream, and you have always been in
my eyes, my voice, if it's my tongue, it's my choice
my dream, I'll save for thee, my dream, my...
