

Rosicrucian, Aren't You Bored Enough

Afraid of the pleasure, afraid of joy
Daddy's little incestuous toy
You are so good you know it all
But there is no one there to catch you when you fall
What's your right, to ruin our fate
if money is all that matters we'll pay with hate
Isolated in your own cute world
Too naive, too dumb to see
a life worth nothing be our guest we'll waste you for free
Mr harmless
It's time that you confess
Is it that tough
Mr harmless
Aren't you bored enough
Open your eyes, and see what you'll find
It's time to wake up narrow mind
Life goes on, you think you'll last
the day will come when you realize, you wasted past
Will you exist, the morning after
what has been means nothing, your death means laughter
Asexual freak
from reality you hide
the only way out for you is suicide
Mr harmless
It's time that you confess
Is it that tough
Mr harmless
Aren't you bored enough
