

# Rotting Christ, Phobos' Synagogue

Phobos' Synagogue

Hey little kid come here, believe in us and be like us

Taste the sapor of the forbidden seed

Drown the awe breath, far in your azure deeps

Fear ain't your foe but you're ally to meet your dream

Show me your bound to show you the heart

To outdo your awe and brave become

Drown the awe in your azure deeps

Fear isn't your foe but you're ally to win

Whisper the reason that doubt yourself

To trace the path of braveness and strength

Bury the awe in your nightmare's shelf

Nothing to fear but fear itself

Show me your bound to show you the heart

To outdo your awe and brave become

Drown the awe in your azure deeps

Fear ain't your foe but your ally to win

[x2]

Phobos has just be born and sent to mortal's world

To kill human's immortality hope

Phobos has just be born the hidden awe of god

The awe for freedom and his throne loss

[Charles Manson's speech:]

You people have done everything in the world to me.

Doesn't that give me equal right?

I can do anything I want to you people at any time I want to, because that's what you've done to me

If you spit in my face and smack me in the mouth and throw me in solitary confinement for nothing,
