

Roxen, Biggest Idiot

I was warned so many times
That what comes easy never lasts
Ah-ah, ah
I'm feelin' lost, my heart is breakin'
I lost control, we couldn't make it
Gave you too much
I wish I could turn back time
So I can put back all the pieces that you broke
You're the biggest idiot
I hate that you're not with me
All I think about is you, all I think about is you
Oh-oh, oh, but you're toxic and I need to get free
I won't lie, it feels so good
To say forever goodbye
They say forgetting will come easy
But apparently is hard
Mm, mm-hmm
Cut your T-shirt into pieces
Just like you did with my heart
Temporary relief
I wish I could turn back time
So I can put back all the pieces that you broke
You're the biggest idiot
I hate that you're not with me
All I think about is you, all I think about is you
Oh-oh, oh, but you're toxic and I need to get free
I won't lie, it feels so good
To say forever goodbye
you were the biggest idiot
Biggest idiot
We were the biggest idiots
To think that this would work
