

Roxette, Piece Of Cake

i am busy doing nothing
i am on my own
there's hot water
i can't find my comb

my jeans is smelling funny
my records – they are tomb
the zombie on the tv
they won't leave me alone

but the air of the room
make it safe and sound
meeting you make it sunny
all over this town

life is a piece of cake
when you're coming around
there's a church on the blank
baby i wouldn't mind
if the numbers on the clock
know how to show me
a good time

i am
there's a disco on my own
i am doing wrong
beat is really steady

but the air of the room
make it safe and sound
meeting you make it sunny
all over this town

life is a piece of cake
when you're coming around
there's a church on the blank
baby i wouldn't mind
if the numbers on the clock
know how to show me
a good time
