

# Roxette, The Sweet Hello The Sas Goodbye

Red like fire was the day I met you  
I tell you now, there are no regrets  
In this room there are many memories  
Some are good, some I try to forget  
I thought we were the chosen ones,  
who were supposed to fly  
We're very much the same, you and I  
The sweet hello, the sad goodbye  
Still waiting to get hurt, time after time  
The sweet hello, the sad goodbye  
When love lies in our hands, we seem to run and hide  
And I can't help but wonder why  
The sweet hello, the sad goodbye  
My heart was like a runaway train, babe  
I don't believe I've ever felt more alive  
In this room I hear voices linger  
We never talked about the price  
You know you're not the only one,  
who knows how to cry  
We're very much the same, you and I  
The sweet hello, the sad goodbye  
Still waiting to get hurt, time after time  
The sweet hello, the sad goodbye  
When love lies in our hands, we run away and hide  
And I can't help but wonder why  
The sweet hello, the sad goodbye  
The sweet hello, the sad goodbye  
We're very much the same, you and I  
The sweet hello, the sad goodbye  
Still waiting to get hurt, time after time  
The sweet hello, the sad goodbye  
When love lies in our hands, we run away and hide  
And I can't help but wonder why  
The sweet hello, the sad goodbye  
Goodbye  
The sweet hello, the sad goodbye  
The sweet hello, the sad goodbye  
The sweet hello, the sad goodbye
