

Roxy Music, Like A Hurricane

(Young)

Once I thought I saw you
In a crowded hazy bar
Dancing on the light from the star to star
Far across the moonbeams
I know that's who you are
I saw you're brown eyes turning once to fire
You are like a hurricane
There's calm in your eyes
And I'm getting blow away
To somewhere safer where feelings stays
I want to love you
But I'm getting blown away
I am just a dreamer
But you are just a dream
You could have been anyone to me
Before that moment you touched my lips
That perfect feeling when time just slips
Away between us on your foggy trips
