

Roxy Music, Lover

(Ferry)

Lover, when you make me come alive
Lover, when you take me I could die
Hold me, hold me tonight
Show time next to no time next to you
Showed me how to love you and I do
Lover, lover that&amp;acute;s you
Always losing time
And all too soon you&amp;amp;acute;re leaving
That ain&amp;acute;t right
So hold me close tonight
So hold me close tonight
Lover
Just hold me close tonight
