

Roxy Music, My Only Love

(Ferry)

Do I ever wonder'
More than words can say
Heaven knows it's hard enough to pray
Let me tell you something
There's a change in me
Even now you're gone you'll always be
My only love
Does it seem so funny
For a fool to cry'
Do you know the meaning of goodbye'
There's a river flowing
By a willow tree
When you need to know remember me
My only love
Let me tell you something
More than words can say
But they're all I have, no other way
There's a river flowing
By a willow tree
When you find you're there remember me
My only love
