

# Roy Acuff, I Love You Because

I love you because you understand dear  
Every single thing I try to do  
You're always there to lend a halping hand dear  
I love you most of all because you're you

No matter what the world may say about me  
I know your love will always see me through  
I love you for the way you never doubt me  
But most of all I love you cause you're you  
[ fiddle ]  
I love you because my heart is lighter  
Every time I'm walking by your side  
I love you because the future's brighter  
The door to happiness you've opened wide

No matter what the world may say about me  
I know your love will always see me through  
I love you for a hundred thousand reasons  
But most of all I love you because you're you
