

# Roy Acuff, Pins And Needles

(In My Heart)

I know not where on earth to find you  
I know not how or when to start  
I only know I'm here without you  
I've got Pins And Needles in my heart.

The days and night are growing longer  
Since first you said that we must part  
I only know I can't forget you  
With these Pins And Needles in my heart.

I always see your face before me  
Your smile is heaven's work of art  
But now you're smiling at another  
And there's Pins And Needles in my heart.

Sometime, somewhere, we'll meet again, dear  
Then love will make the teardrops start  
Someday you'll know, how long I've waited  
With these Pins And Needles in my heart.
