

Roy Drusky, Heart Over Mind

I love you so much that I can't leave you even though my mind tells me I should
But then you make me think that you still love me
And all my thoughts of leaving do no good
You've got me heart over mind worried all the time
Knowing you will always be the same
You keep hurting me I know but I still can't let you go
For my heart won't let my love for you change
[steel]
Friends tell me they see you out with others and in my heart I try hard to forget
But then you come home and say you love me
I still hope there's some chance for us yet
You've got me heart over mind...
