

# Roy Drusky, I'll Take You Home

Everybody knows you came with him but another girl called this time  
Now you're sittin' there all alone watchin' them that's fine  
And I know you're wonderin' what you'll do if he doesn't come back to you  
But don't worry I'll take you home so pretty girl don't you be blue  
Now I know that you wore the pretty red dress just for him to see  
But I want to tell you that that red dress looks good to me  
Oh I know you feel like you wanna die why pretending that I'm your guy  
Don't worry I'll take you home so pretty girl now don't you cry  
I'll take you home when the dance is over  
I'll take you home just to wait and see you're gonna dance the last dance with me  
I know the way you feel I can understand  
Cause I had an ache just like you when the dance began  
But the girl I can get that was untrue she's the girl that took him from you  
So don't you see now I'll take you home cause pretty girl I'm lonely too  
Well I know the way you feel...  
Yeah I'll take you home cause pretty girl I'm lonely too
