

Roy Drusky, I'm So Lonesome I Could Cry

Hear that lonesome whippoorwill he sounds too blue to fly
The midnight train is whining low I'm so lonesome I could cry
I've ever seen a night so long when time goes crawling by
The moon just went behind a cloud to hide its face and cry
[strings]

Did you ever see a robin weep when leaves began to die
That means he's lost the will to live I'm so lonesome I could cry
The silence of a falling star lights up a purple sky
And as I wonder where you are I'm so lonesome I could cry
