

Roy Drusky, I Still Love You Enough

It's been such a long long time since you've said goodbye
I thought that time would erase all the hurt and my heart would mend
But I saw you today and one look made me realize
That I still love you enough to love you all over again
One look and I remember the love we once knew
I could feel that old sweet feeling I got from loving you
I don't love you as much as I did when I loved you back then
But I still love you enough to love you all over again
[ac.guitar]
I don't love you as much as I did...
