

Roy Drusky, I Wonder Where You Are Tonight

Tonight I'm sad my heart is lonely I'm wondering if I'm wrong or right
To dream about you though you left me I wonder where you are tonight
The rain is cold and slowly falling upon my window pane tonight
And even though your love is colder still I wonder where you are tonight
[guitar]

Your heart was so denied we parted as though I've tried with all my might
To forget about you though you left me still I wonder where you are tonight
Well the rain is cold...
Yes I wonder where you are tonight oh I wonder where you are tonight
