

# Roy Drusky, It Was Fun While It Lasted

I just read the saddest letter and before I cry I'd better  
Let you know that I won't stand in your way  
I'm your old love he's your new love but if you're sure it's true love  
I'll bow out gracefully and simply say  
It was fun while it lasted fun while it lasted ours was a special sort of love  
It was fun while it lasted fun while it lasted but it just didn't last long enough  
[ guitar ]  
I can't say goodbye with laughter but I'll promise ever after  
When I'll think of you my lonely lips will smile  
I'll be all alone tomorrow but there won't be any sorrow  
Just a happy thought you love me for a mile  
It was fun while it lasted...
