

Roy Drusky, Let's Do What's Right Even If It's Wr

Let's do what's right even if it's wrong
Our hearts belong together cause we love each other so
But we both belong to someone else and they must never know
We know our love will never die but this just can't go on
Let's do what's right even if it's wrong
Let's do what's right even though we're cryin'
At least we'll know that we're really tryin'
So let's go back to the homes where we both belong
Let's do what's right even if it's wrong
[steel]
Let's do what's right...
