

Roy Drusky, Mr. Jones I Want To Marry Your Wife

Mr Jones could I have a word with you
Just one minute I won't keep you more than two
What I have to say may seem wrong but it's right Mr Jones I want to marry your wife
I'm in love with her and she's in love with me
I know she's asked you many times to set her free
Give us a chance that our love be right Mr Jones I want to marry your wife

[piano]

Mr Jones I watched you hurt and make her cry
You don't want her you can't love her as much as I
You say I have the nerve to ask you let her go
Well Mr Jones without her love I can't go on
I'm in love with her and she's in love with me
You keep holding on why won't you set her free
What I ask of you may seem wrong but it's right Mr Jones I want to marry your wife
