

# Roy Drusky, My Way

And now the end is near so I face the final curtain  
My friend I'll say it clear I'll state my case of which I'm certain  
I've lived a life that's full I've traveled each and every highway  
And more much more than this I did it my way  
Regrets I've had a few but then again too few to mention  
I did what I had to do and saw it through without exemption  
I've planned each chartered course each careful step along the byway  
And more much more than this I did it my way  
I've loved I've laughed and cried I've had my fill my share of losing  
And now as tears subside I find it all so amusing  
To think I did all that and may I say that in a shy way  
Oh no oh no not me I did it my way  
The record shows I took the blows and did it my way
