

Roy Drusky, Peel Me A Nanner

There I was in all of my innocence lovin' you with all of my might
Come to find out I didn't have any cent you had a different darlin' every night
Peel me a manner toss me a peanut I'll come swinging from a coconut tree
Peel me a manner toss me a peanut you sure made a monkey out of me
[guitar]
I gave you kisses and I gave you lovin' tried to please your every little whim
At all I laid it up to a big bad nothin' last night you uped and ran away with him
Peel me a manner...
Peel me a manner...
Peel me a manner...
