

# Roy Drusky, Ribbon Of Darkness

Ribbon of darkness over me since my true love walked out the door  
Tears I never had before ribbon of darkness over me  
Clouds're gatherin' o'er my head they chill the day and hide the sun  
And shroud the night when day is done ribbon of darkness over me  
Rain is fallin' on the meadow where once my love and I did lie  
Now she's gone from the meadow my love goodbye  
Ribbon of darkness over me where once the world was young as spring  
Where flowers bloomed and birds did sing ribbon of darkness over me  
[ choir ]  
In this cold room a lying don't want to see no one but you  
Lord I wish I could be dying to forget you  
How I wish your heart could see how my neck takes breaks all day  
Come on back and take away ribbon of darkness over me mhm mhm
