

Roy Drusky, Slippin' Around

Seems we always have to slip around to be together dear
Slippin' around afraid we'd might be found
I know I can't forget you and I've gotta have you near
So we'll just just have to slip around and live in constant fear
Though you're tied up with someone else and I'm all tied up too
(I know we've made mistakes dear but I'm so in love with you)
I hope someday I'll find a way to bring you back to me
Then we won't have to slip around to share our company
[piano - steel]
Oh you're tied up with someone else...
