

Roy Drusky, Swing Wide Your Gate Of Love

Swing out your gate of love open up your heart
I knew when I first met you that you'd be my sweetheart
Swing out your gate of love and please don't let me fall
I know you're gonna love me after all
Swing out your gate and leave it open for the center of my heart you'll be found
I'll mend the heart that has been broken I'm not the kind of guy to let you down
So swing out your gate of love open it for me
You're the one the one I want my darling can't you see
Make up your mind to love me and to be my turtle dove
I love you so swing out your gate of love
[steel]
Swing out your gate and leave it open...
Make up your mind to love me...
