

# Roy Drusky, Take Me Back

Take me back I'm begging please take me back I'm on my knees  
For you to scold me hurt me hold me darling take me back

When you belonged to me I had a jelous mind  
Too late I've learned that you were not the cheatin' kind  
Take me back...

My jealous eyes have learned to take a look or two  
They were too blind to see that I was losing you  
Take me back...

They say you live and learn and though I've tried before  
I promise never to be jealous anymore  
Take me back...
