

# Roy Drusky, Talk Back Trembling Lips

Everyday our love's a battle royal well it seems that fighting's all we do  
But if I let you know how much I love you  
Then you'll do things to me you shouldn't do  
Talk back trembling lips shaky legs don't just stand there  
Don't let her know she's gettin' through to you  
Talk back trembling lips burning eyes don't start crying  
Heart don't let her know that you're breaking in two

Everytime you up and hurt my feelings I pretend it couldn't matter less  
But I'm just hiding all of my emotions behind my broken heart I guess  
Talk back trembling lips...  
Heart don't let her know that you're breaking in two
