

Roy Drusky, The Last Time I Called Somebody D

Thinkin' of you, wonderin' who touches you the way I used to do.
The last time I called somebody darlin' was the last time you held me close to you.

Missin' those times, wishin' that I had the heart to love somebody new.
The last time I called somebody darlin' was the last time you held me close to you.

I may be a fool but I still love you.
I can't break the chains of yesterday.
When I get close to callin' someone darlin', my heart reminds my lips that I'm not free.

Dreamin' alone, still holdin' on, even though there's nothing left to do.
The last time I called somebody darlin' was the last time you held me close to you.

The last time I called somebody darlin' was the last time you held me close to you.
