

Roy Drusky, Too Far Gone

I can tell that somewhere there's someone you've loved more than me
Someone you've loved more than me
And it hurts to say it but you have the right to be free
I know that's the way it should be
My friends would console me by saying go find someone new
Go out and find someone new
But the longer I try the harder I cry over you I go home and cry over you
Cause I'm too far gone too far gone
I guess I've loved you so much for too long and I'm too far gone

If ever your new love should hurt you or make you feel blue
Hurt you or make you feel blue
Remember your old love will still be around loving you I'll be around loving you
Cause I'm too far gone...
