There is someone walking behind you turn around look at me
There is someone watching your footsteps turn around look at me
There is someone who really needs you here's my heart here's my hand
Turn around look at me understand understand
That there's someone to stand beside you turn around look at me
And there's someone to love and guide you turn around look at me
Oh I've waited but I'll wait forever for you to come to me
Look at someone who really loves you turn around look at me look at me
