

# Roy Drusky, You've Still Got A Place In My Heart

If the one you'd think is true ever turns his back on you  
You've still got a place in my heart  
If every road you take proves you made a big mistake  
Baby you've still got a place in my heart  
If I'm a fool to pray that you'll return some day  
Well then I'll know a million fools that love has made that way  
If the years should make you cry don't go on and live a lie  
Baby you've still got a place in my heart  
[ guitar ]  
If the years should make you cry...
