

Roy Orbison, Belinda

(Dennis Linde)

Oh sweet, sweet Belinda
They say that you are looking for a home
Fresh out of a love affair
Fresh out of hope
Fresh out of dreams

I know you're as strong as any human can be
But you need love, why don't you take it from me?
I know I ain't much, but you can have me for free
Belinda

Oh sweet, sweet Belinda
You don't owe me no gratitude or love
We're just two souls stuck here
Two lonely rivers filled with light

Two lights shining on the darkness ahead
Two feet touching in a cold winters bed
I promised you safety, but I loved you instead
Belinda

Oh-oh Belinda I'd die of loneliness
If you ever left, Belinda

Oh-oh Belinda I'd die of loneliness
If you ever left, Belinda
