

Roy Orbison, Big As I Can Dream

(Montgomery)

I know they don't think that I'll amount to much
But your love has given me the magic touch
Just put your faith in me and strange as it may seem
I will build a dream for you
Big as I can dream

I know that they want the best things for you
That is just what I have planned
If they only knew.

There's no mountain that's too high
I can ford any stream
For your love I can be
Big as I can dream.

There's no mountain that's too high
I can ford any stream
For your love I can be
Big as I can dream
Big as I can dream
Big as i can dream.
