

# Roy Orbison, Big Hearted Me

Don Gibson

Big hearted me, big hearted me

big hearted me

I had to give my love away

I give it to a girl

that broke it in two like it was clay

I should have known better

I should have never let her

But I couldn't break free

I gave her all my love so generously

big hearted me

Big hearted me, big hearted me

I bought her everything

A mink and a ring

A home so fine

I thought she loved me so

There never was a doubt that she was mine

Until one day I opened my eyes and plain as could be

My love was all gone

She left me all alone

Big hearted me

Big hearted me

big hearted me

Big hearted me
