

Roy Orbison, I Drove All Night

Roy Orbison

I had to escape , The city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you

I was dreaming while I drove
The long straight road ahead
Uh-huh, yeah

Could taste your sweet kisses, your arms open wide
This fever for you was just burning me up inside

I drove all night to get to you
Is that all right?
I drove all night, crept in your room
Woke you from your sleep to make love to you
Is that all right?
I drove all night

What in this world keeps us from falling apart?
No matter where I go
I hear the beating of our one heart
I think about you when the night is cold and dark
Uh-huh, yeah

No one can move me the way that you do
Nothing erases this feeling between me and you
I drove all night to get to you
Is that all right?

I drove all night, crept in your room
Woke you from your sleep to make love to you
Is that all right?
I drove all night

Could taste your sweet kisses, your arms open wide
This fever for you was just burning me up inside

I drove all night to get to you
Is that all right?
I drove all night, crept in your room
Is that all right?
I drove all night
