

# Roy Orbison, (I Get So) Sentimental

I get so ooh sentimental  
Darling when it comes to you,  
I'm just too ooh sentimental  
And its breaking my heart in two.

I said a-hey,hey now  
at the end of the day now,  
I get carried away now  
thinking of you,oooh

How you looked that night,  
you kissed goodbye just right,  
then turned away  
and I miss you night and day.

Hey,a-hey, hey now,

at the end of the day now,  
I get carried away now,  
thinking of you, ooh

who holds you tight?,  
I wonder where you are,  
are you alright  
for you know, I still love you,

But I'm just so sentimental,  
Baby because of you,  
Yes I'm just too sentimental  
and it's,breaking my heart in two...
