Roy Orbison, I Was A Fool

I was a fool, I only wanted you

I don't lose my blues When I pretend you're with me Though I make believe I'm still alone When I think of you My empty arms remind me That my one true love has gone

I was a fool, that's why I cried over you I was a fool, I only wanted you

When I smile so gay, everybody knows That I've lost my love But that's the way it goes When I think of you My empty arms remind me That my one true love has gone

I was a fool, that's why I cried over you I was a fool, I only wanted you
