

# Roy Orbison, Jolie

Jolie...

Jolie, Jolie my cherie  
Pretty little french girl I met in Paris  
Jolie cute as she could be  
Throwing me her kisses from her balcony

She had come hither eyes  
And charm from her head to her feet  
Really my Jolie was neat  
Golly my Jolie was sweet

Jolie, Jolie my cherie  
Wish I had my Jolie over here with me

She had come hither eyes  
And charm from her head to her feet  
Really my Jolie was neat  
Golly my Jolie was sweet

Jolie, Jolie my cherie  
Wish I had my Jolie over here with me

Wish I hadn't left her over in Paris  
On her balcony  
Jolie my cherie  
Jolie, Jolie, Jolie, Jolie...
