

Roy Orbison, Kiss Of Love

Roy Orbison Joe Melson

Your kiss of love is my desire
Your kiss of love sets my soul on fire
Oh, babe your kiss is so fine
It's oh, so divine
Please say you'll be mine
Yea,yea,yea,yea,yea
Mine, mine, mine all mine

Your kiss of love makes my heart sing
Your kiss of love is just the thing
Oh, babe to make me feel good
Like a good lover should
If you only would say you're mine
Mine mine, mine all mine

Your kiss leads me up to the sky
My head spins' round and around
Baby, you're the reason why
I ain't never, ever coming down

Your kiss of love is my desire
Your kiss of love sets my soul on fire
Oh, babe your kiss is so fine
It's oh, so divine
Please say you'll be mine
Yea,yea,yea,yea,yea
Mine, mine, mine all mine

Your kiss of love makes my heart sing
Your kiss of love is just the thing
Oh, babe to make me feel good
Like a good lover should
If you only would say you're mine
Mine mine, mine all mine
